Kaye, Rose & Partners LLP**

an investment in the future

ABOUT CLIA'S EXECUTIVE PARTNER PROGRAM

The CLIA member lines include the largest and most innovative passenger cruise lines that call on hundreds of ports in the United States and abroad. Each year CLIA's overnight cruise ship operators carry more than 12 million passengers on over 175 ships.

The **CLIA Executive Partner program** is endorsed by CLIA member lines. This program fosters a unique alliance between the cruise lines and strategic industry suppliers to create a forum for information exchange and an opportunity to work together to address industry issues and generate new business.

We invite you to join CLIA's Executive Partner program and become part of a highly visible network of quality providers given exclusive access to the top decision-makers in the cruise industry.

"The Berkely Group is proud to be a Charter Executive Partner of CLIA. We find our association with CLIA to be highly rewarding. It provides us with unparalleled opportunities to gain greater insight into the perspective of the cruise industry on a broad range of significant issues, as well as direct interaction with the industry's most senior management."

Robin Novello
Chief Executive Officer
The Berkely Group
