FINE DINING ON AMERICA'S WATERWAYS

A GRAND EPICUREAN TOUR OF SOUTHERN AND CONTINENTAL CUISINE

SAVOR THE FLAVORS

BUTTER POACHED LOBSTER TAIL

A BLEND OF TASTES

Voice the enticing words *bon appétit* before dining aboard the *Louisiane* and pay homage to the refined French influence of our cuisine, which has been liberally swirled with traditional Southern recipes. This pleasing mélange reflects the Parisian sense of delicacy and the enthusiasm of New Orleans. Under the aegis of our Chef de Cuisine Regina Charboneau, herself a blend of Southern and French lineage, each meal becomes a celebration of life, each course a moment of sheer bliss and each bite an unforgettable sensation.

Afternoon tea with a lemon madeleine is the prelude to entering The Crescent Room for epicurean wonders ranging from Chicken with Roasted Squash Stuffing or Classic Escargot to a perfectly-prepared Chateaubriand or Fresh Gulf Shrimp with Cheese Grits. The symphony of indulgence reaches a culinary crescendo with a delicate French Vanilla Bean Soufflé or a decadent slice of Bourbon Pecan Pie. Naturally, dining is open seating, meaning you may dine when you choose with whomever you wish. For those who desire to be sated at any time of day, partake of our complimentary 24-hour room service, a vanishing luxury in today's world.

CASUAL ELEGANCE

The Crescent Room, our opulent main restaurant, is a plush jewel box inset with sparkling chandeliers and is the center stage for each day's culinary stars. A wheeled silver cart glides across the room, offering carved prime rib. Fine linens, gleaming cutlery and European-inspired china are the backdrop for white-gloved servers who anticipate every need with remarkable prescience.

ENTICING AND FRESH REGIONAL SELECTIONS PREPARED TO ORDER

DINE IN CASUAL COMFORT

THE VERANDA

REFINED CASUAL DINING

The French know that one's surroundings are as important as one's meal, and in addition to The Crescent Room, we've provided a charming casual venue with cuisine to suit every mood. The Veranda is the very essence of a traditional French Bistro or eclectic sidewalk eatery in New Orleans' French Quarter. Our Chef de Cuisine Regina Charboneau brings home-spun recipes and French culinary training to a stylish room with sweeping panoramic windows that ensure you never miss a moment of your voyage on America's rivers.

MADE TO ORDER

The enticing aroma of made-to-order crêpes is the siren song of The Veranda, with both sweet and savory varieties. Sample an Épinard Omelet Crêpe for breakfast, a Truffled Mozzarella and Tomato Crêpe for lunch, then polish your meal off with a Bananas Foster Crêpe. From the rotisserie, you will be tempted by herb-crusted chicken so juicy and perfectly cooked that it falls off the bone. Of course, complimentary illy® coffees, Dammann Frères® loose-leaf teas, hot chocolate, lemonade, juices and soft drinks are available throughout the day.

A BOUNTIFUL SELECTION

While rotisserie meats and an assortment of crêpes are The Veranda's signatures, the extensive menu will please your palate in so many other delightful ways. Choose to begin the day with warm made-to-order Café du Monde Beignets created using the time-honored ingredients perfected by New Orleans' legendary Café du Monde accompanied by their special blend of café au lait. Salade Niçoise or a Gulf Shrimp Po'boy entice the senses for lunch. For dinner, selections such as tender Filet Mignon, Oven-Poached Salmon with Dill Sauce, Veranda French Onion Soup, and Strawberry Cheesecake Crêpes are on the bill of fare. It's no wonder that relaxed dining with panache is The Veranda's forte.

REGINA CHARBONEAU

CHEF DE CUISINE

REGINA CHARBONEAU

A renowned chef and author, Regina Charboneau studied in Paris before opening celebrated restaurants to worldwide acclaim. She now brings her boundless creativity and stunning flavor pairings to French America Line to craft cuisine unmatched on America's inland waterways.

A resident of Natchez, one of our most charming antebellum destinations, she got her start in San Francisco where she launched Regina's at the Regis and later the award-winning Biscuits & Blues nightclub.

She returned to Natchez in 2001 and opened the

Twin Oaks Bed and Breakfast in a historic antebellum home dating to 1832, where she teaches cooking classes as well as serves as a warm, ebullient host. Her latest venture is King's Tavern in Natchez, specializing in fresh farm-to-table selections. Under her deft touch, the dining experience on the *Louisiane* is elevated to an apogee of gastronomic pleasure.

ENRICHED AND ENTERTAINED

LIVE MUSIC, STIMULATING LECTURES AND NOTED HISTORIANS

THE SOUNDS OF A NATION

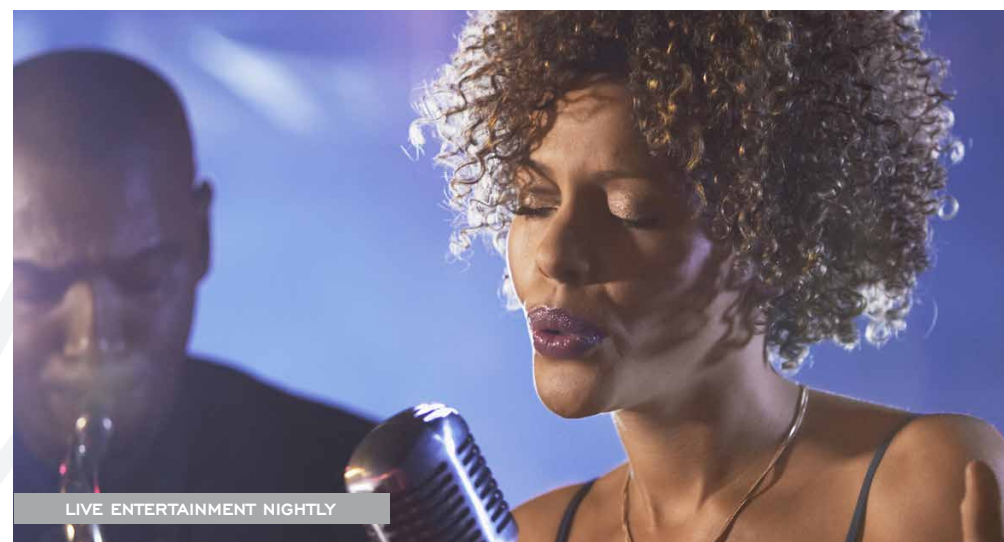

The rivers of America flow through a medley of sounds from the energizing jazz of New Orleans and electric zydeco of Southwest Louisiana to the rollicking blues of Memphis and the down-home bluegrass of Tennessee. Rock and roll takes on a different tone depending on its origins, while the soothing melodies of big band blend with today's contemporary hits throughout America's cities and towns. This vast tapestry is more than the heartbeat of a country. It is the soul of a nation.

Raise a craft beer or glass of Merlot to a jazz ensemble in the French Quarter Lounge, or find an acoustic guitarist playing a soft rock hit from the 1970s. With our special touch of unique and exclusive live entertainment, The Crescent Room is transformed each evening from an elegant dining venue to a stylish cabaret where talented performers hold court. Tap your toes to traditional big band numbers, standards from the great American songbook or even contemporary hits performed in the classic style of the 1950s.

ENTERTAINMENT MEETS CULTURE

The lands through which we travel also have stories to tell, and we've gathered a line-up of best-selling authors, noted historians, esteemed professors, and local characters to hold talks on a variety of cultural, historical and political subjects. You might discover how the Civil War influenced the electorate for generations or why most of what is considered American comfort food traces its roots to the staples of European immigrants of the 19th and 20th centuries.

French America Line embraces all the music and culture that represents the best of traditional story-telling and modern songwriters to create a sometimes eclectic, but always entertaining, experience as the *Louisiane* sails the inland waterways.

ILLUMINATORS™

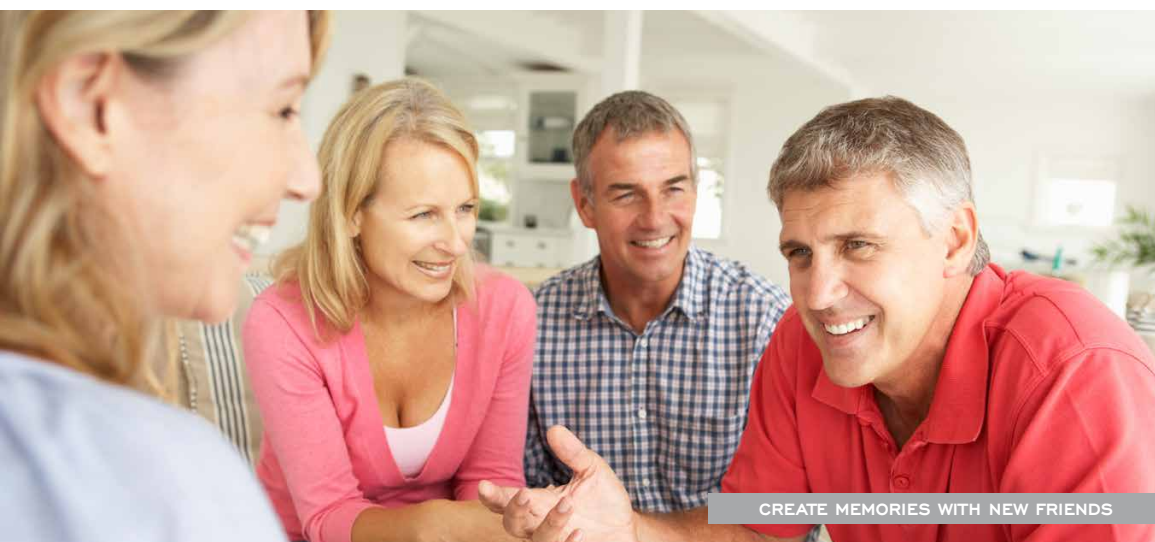

BECOME ENLIGHTENED

When you sail America with French America Line, something remarkable happens as a world of rich history and gracious traditions reveals itself. America is a land with remarkable depth, and we're dedicated to taking you to both big cities and small towns. But travel is about more than just going places. We believe that travel is about experiencing the history, cuisine and culture of each destination in a way that expands the mind and lifts the spirit.

That's why on each voyage we feature a noted Illuminator, available to satisfy your every curiosity and lead talks about broad, esoteric and fascinating subjects, ranging from the military ramifications of the Battle of Vicksburg to the roots of the Creole people. Discover the world of 19th century steamboats and the socio-economic implications of changes in agriculture on the Mississippi River Delta. Learn how the blues developed and delve into the history of classic American cocktails. Understand the nuances of barbecue styles and the Native American history of the Upper Midwest. From the arc of the legendary jazz greats to the religious underpinnings of Mardi Gras, our Illuminators will enrich and enlighten.

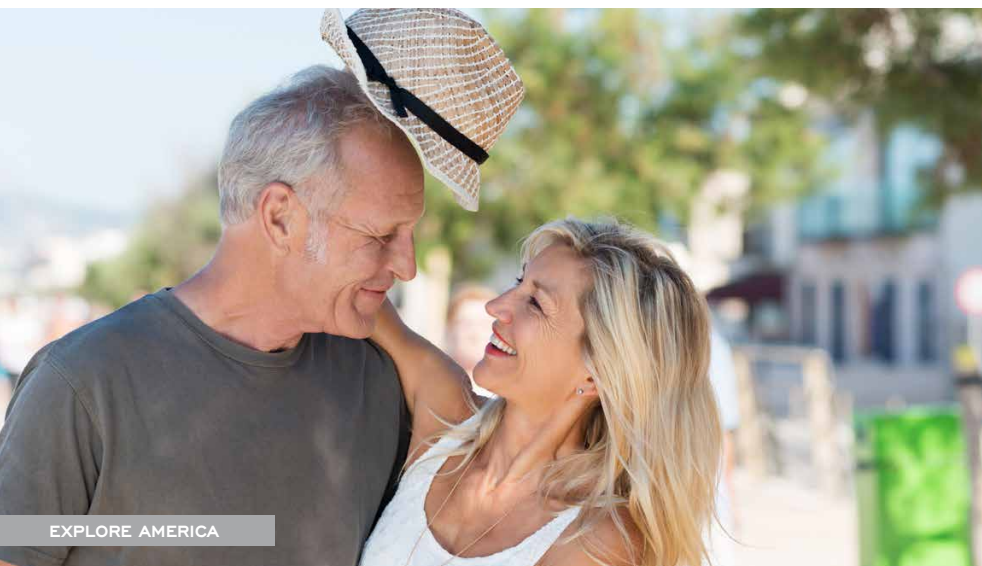

Each of our Illuminators is carefully chosen based on the region in which the *Louisiane* is sailing and the specific ports of call. For our guests, travel is a chance for edification as well as relaxation. Let our Illuminators light the path to deeper understanding.

THE ESSENCE OF AMERICA

COMPLIMENTARY SHORE EXCURSIONS AND OUR CURATOR COLLECTION™

EXPLORE AMERICA

ST. LOUIS

EMBRACE YOUR SENSES

America's spirit is as broad as the blue sky, as vast as the rolling hills and as restless as the ribbons of its mighty rivers. The Illuminator, our onboard historian, will interpret the social and cultural core of each region as the *Louisiane* sails into the heart of this great country to places that are a gentle reminder of times past and a look into visions of the future. A refreshing pitcher of lemonade sits next to a porch swing on a bright warm day. A docent answers questions about the works of art hanging in an acclaimed gallery. The fresh perfumed fragrance of magnolias or the crisp smoky scent of a fireplace is carried on the breeze. This is the America you've always wanted to see.

THE TRAVELER COLLECTION™

With our complimentary Traveler Collection shore excursions in each port of call, you won't miss a moment of pleasure, since each tour includes a personal Vox® listening device to easily hear the narration. Gaze up at the Gateway Arch in St. Louis, tour the ornate antebellum homes of Natchez and walk along Beale Street in Memphis to the sounds of blues and jazz. New Orleans' French Quarter coyly divulges her charms while Hannibal's cheeky boyhood antics will warm your heart. You can also explore independently in each port of call with complimentary bicycles, helmets and maps of local attractions.

THE CURATOR COLLECTION™

For guests who want an exclusive, in-depth look at a destination, our Curator Collection of tours, available for an additional charge, delve further behind the scenes to provide privileged and unforgettable experiences. Take a comprehensive tour of Graceland on the other side of the ropes and celebrate the legacy of Elvis Presley. Tour the legendary New Orleans warehouse where floats are created for Mardi Gras or sit down to an authentic barbecue in Tennessee. In a famed museum, be greeted by a special wine and cheese reception and take painting lessons from a local artist. With our Curator Collection, America comes alive just for you.

COMPLIMENTARY BICYCLES IN EVERY PORT

CURATOR COLLECTION™

THE CULINARY ARTS WITH SOUTHERN CHEF REGINA

COOKING CLASSES

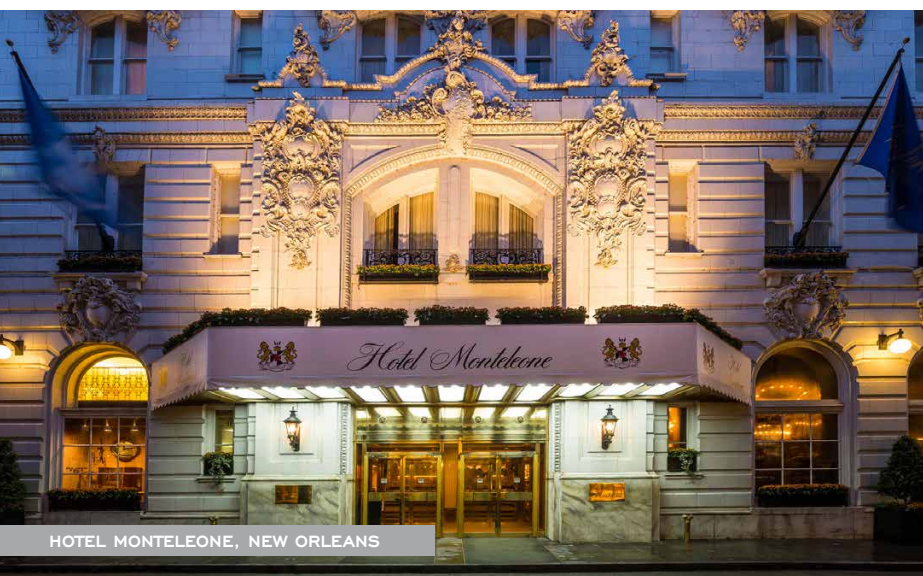

Our optional Curator Collection shore excursions uncover the spirit, personality and soul that make each city and town in America unique. Perhaps the best example of our Curator Collection tours can be found in Natchez, where we offer a visit to Twin Oaks, our Chef de Cuisine Regina Charboneau's residence. This charming antebellum home dates to 1843 and features a six-room guest house and an ornate kitchen which is the stage for a cooking class taught by the culinary master herself. Learn that the secret to cooking perfect beignets is to let the oil come back up to temperature between batches, or observe the hot-skillet technique for a scrumptious corn, mushroom and onion tart. Depending on her inclination and the ingredients of the day, perhaps she will showcase her airy biscuits, which boast a special ratio of yeast and baking powder resulting in a cloud-like bite that is lighter and fluffier than you ever thought possible.

EXTENDED HOTEL STAYS

For some, the joy of traveling America's waterways is just one of the treasures to be found. Discover the explorer in you with a Prelude Package tour before or an Encore Package after your cruise aboard the *Louisiane*.

One of the greatest delights of traveling is the freedom to extend a vacation and to explore the places, cuisine and cultures that have fascinated others for generations. French America Line believes that choice is a luxury no one should do without and, therefore, we've crafted several opportunities to turn an elegant cruise tour into a grand adventure. Perhaps the easiest way to gain more time in your embarkation or disembarkation port is with a hotel stay. While a one-night pre-cruise hotel stay is included in your fare, many guests wish to have even more time to visit the bistros of New Orleans, the botanical gardens of St. Louis or the blues clubs of Memphis. With a Prelude Package, add extra nights and turn your pre-cruise hotel stay into a mini-vacation, or create a personalized hotel Encore Package and linger in your disembarkation port after your voyage concludes. The choice is all yours.

FASCINATING TOUR OPTIONS

Perhaps you have more than just a few nights in mind and wish to see America by both riverboat and rail with an extended Prelude Package or Encore Package. Imagine heading toward Great Smoky Mountains National Park to explore the glorious colors and mystical atmosphere of the mountains as each vista unfolds before you with a ride on the Great Smoky Mountain Railroad. Or you might find your inspiration in the great landscapes of the Southwest, reached by an epic train ride from St. Louis and culminating at the awe-inspiring beauty of the Grand Canyon, where the view stretches as far as your own imagination. Watch America whisk by the broad windows of the *Southwest Chief* as plains, mountains, small towns and big cities add their threads to the fabric of your time on the rails.

This 7-day Prelude Package begins with an overnight stay in Atlanta followed by two nights in Asheville, North Carolina, and a visit to the fabled Biltmore Estate. Two nights at the Doubletree Park Vista Resort in Gatlinburg, Tennessee set the stage for complete sightseeing in Great Smoky Mountains National Park including a visit to isolated Cades Cove. DISCOVER AMERICA'S HIDDEN TREASURES

SOPHISTICATED, CHARMING AND SURPRISING PORTS OF CALL

ALEXANDRIA, LA | Hear the tragic tale of Alexandria's burning during the Civil War's Red River Campaign, and the stories of the Louisiana Maneuvers, when over 500,000 men were trained in mock battles designed to prepare America's soldiers for World War II. The historic Hotel Bentley, the "Biltmore on the Bayou," was host to General Patton.

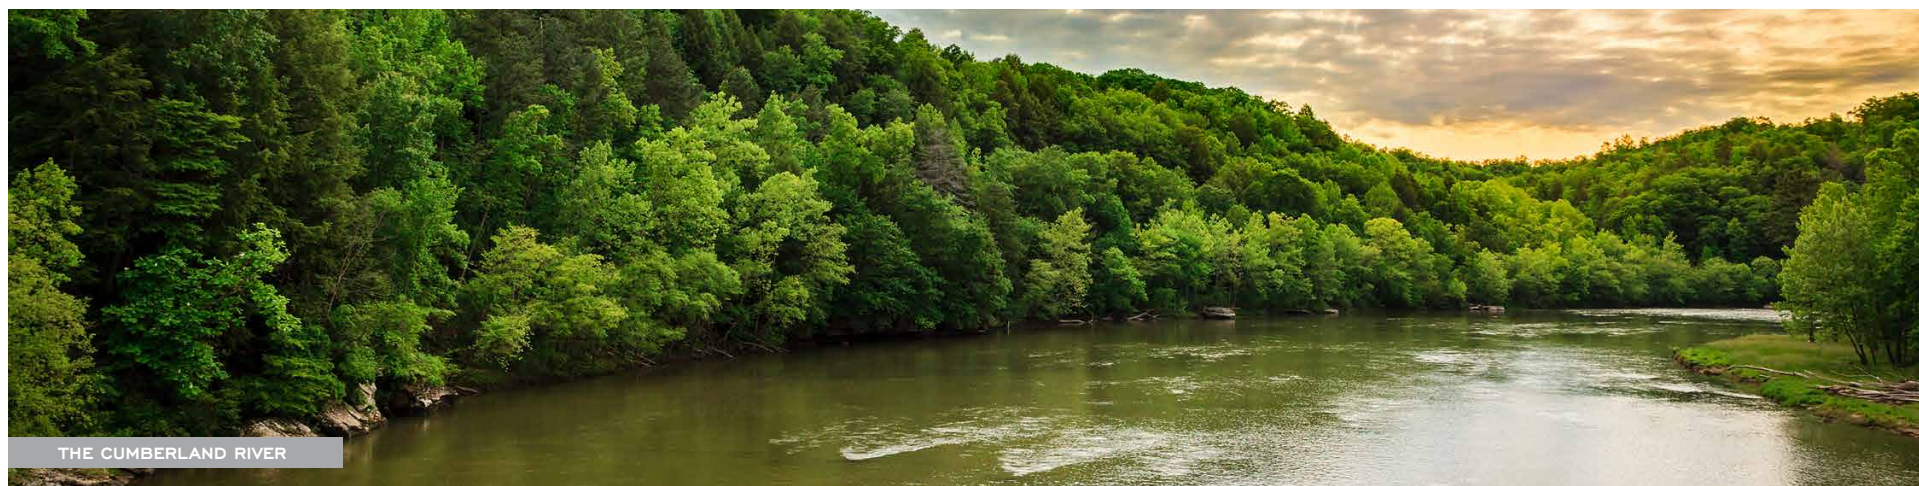

BATON ROUGE, LA | Clamber aboard the *USS Kidd*, an elegant WWII and Korean War veteran, before heading into the proud and lively capital of Louisiana. Take time at the new and old State Capitol buildings, both handsome and striking edifices in their own right.

CLARKSVILLE, TN | Alight in Tennessee's first incorporated city, named after General George Rogers Clark, brother of William (of Lewis & Clark fame). Step back in time at Fort Defiance Civil War Park and its Interpretive Center, a must-see stop for history buffs.

DAVENPORT, IA | Appreciate the burgeoning cultural scene at this city founded on the site of the 1832 Black Hawk purchase, host to the yearly festival held in honor of local Bix Biederbecke, the "giant of cornetists", and the excellent Figge Art Museum.

DOVER, TN | Surrender to the charm of Dover, unlike Confederate officer Nathan Bedford Forrest, who refused to give up his cavalry after a resounding Union victory. Wander through the park honoring Forrest, and revisit his exploits at Fort Donelson National Battlefield.

DUBUQUE, IA | Build up your knowledge of early river commerce much as the lumber barons built countless landmarks at this confluence of three states. Ride the Fenelon Place Elevator Co., a historic funicular that affords an unmatched view from atop the bluffs.

THE CUMBERLAND RIVER

GREENVILLE, MS | Delve into the shrouded past at Winterville Mounds, an archaeological site that offers a rare look into the lives of early American peoples. Grasp how the Mississippi Delta played a key role for natives centuries before Europeans stumbled upon it.

HANNIBAL, MO | Pay tribute to Samuel Clemens, better known as Mark Twain, at his Boyhood Home and Museum in this welcoming town. Reenact Tom and Huck's exploits if you're feeling mischievous, as Hannibal provided the setting for their quintessentially American adventures.

HELENA, AR | You're sure to agree with Mark Twain's assessment that Helena "occupies one of the prettiest situations on the Mississippi," but there's more than just looks to this hub of blues music, which features the lovingly reconstructed Civil War-era Fort Curtis.

HOUMAS HOUSE, LA | Be enchanted by this prosperous antebellum plantation estate and its inviting gardens, a wildly popular site for dream weddings and also the setting for the riveting Olivia de Havilland and Bette Davis film classic *Hush...Hush, Sweet Charlotte*.

LA CROSSE, WI | Survey three states atop towering Grandad Bluff, then discover the creative talents of the locals at the Pump House Regional Arts Center. And no visit is complete without a snapshot of the World's Largest Six-Pack.

MEMPHIS, TN | Take in the sounds of Memphis, where a stroll on soulful Beale Street, a tour of Graceland or a visit to the Stax Museum of Soul Music and the Rock 'n' Soul Museum will have you feeling the beat.

NASHVILLE, TN | Rejoice music lovers, for you are in heaven, also known as "Music City, USA", home to the iconic Country Music Hall of Fame and Museum. Gaze in awe at the majestic Parthenon in Centennial Park, next to venerable Vanderbilt University.

NATCHEZ, MS | Get lost among over 500 gallant antebellum buildings in this magnificent town, one of America's most historically significant national treasures. Chat up the friendly locals in the thriving entertainment district, Natchez-Under-the-Hill.

NATCHITOCHES, LA | Relish the European and Creole flavors of the oldest settlement in Louisiana, where a vast array of landmarks await, which include the Kaffie-Frederick Mercantile Store, the oldest general store in Louisiana, and the *Steel Magnolias* movie filming sites.

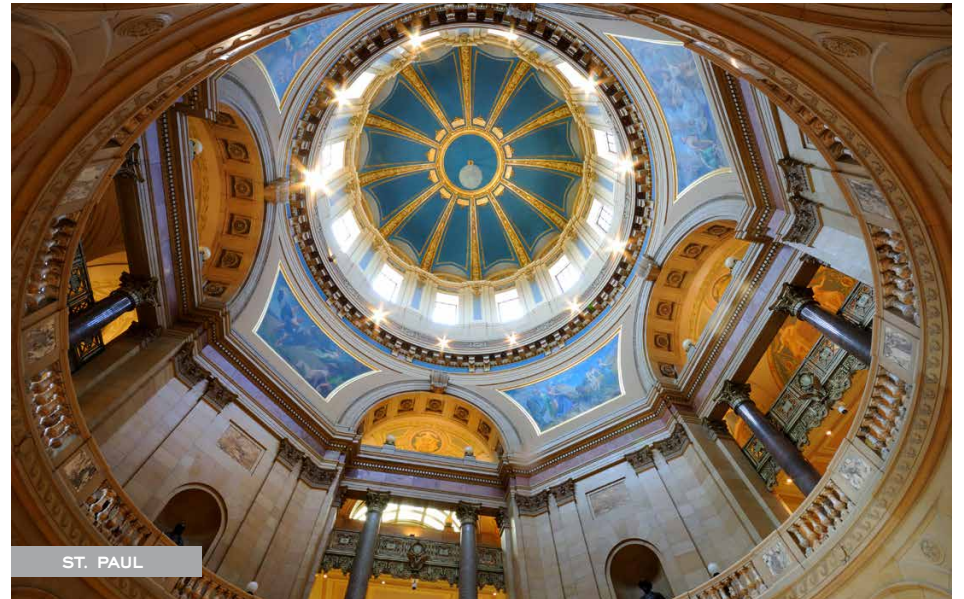

SHREVEPORT

NEW MADRID, MO | Imagine this sleepy village flattened in 1811 by North America's strongest recorded earthquake, and later further shaken up by 1862's Battle of Island Number Ten. Artifacts are on view at the quaint Historical Museum and the Hunter-Dawson State Historic Site.

NEW ORLEANS, LA | Amble along the festive streets of the "Big Easy", where the scent of Creole dishes and the strains of jazz mingle within stately French Quarter homes, and hop on a streetcar to further uncover this most European of American cities.

ST. PAUL

OAK ALLEY, LA | Linger at one of the most photogenic sites in America, majestic Oak Alley Plantation, and stroll its allée, lined by 28 massive oaks more than 300 years old. Tour the Big House and investigate the buildings dotting the lovely grounds.

PADUCAH, KY | Picture 42,000 Union soldiers boarding 185 ships on their way upriver, and you'll get a sense of the rich local history that is captured at the Floodwall Murals. See the Wacinton Sculpture honoring the Chickasaw Indians and tour the remarkable National Quilt Museum.

PRAIRIE DU CHIEN, WI | Contemplate 10,000 years of Native American history at this once bustling fur-trading center, now host to five National Historic Landmarks, including the Victorian stunner Villa Louis. Locals insist you stop by Valley Fish and Cheese for their mouthwatering victuals.

RED WING, MN | Find out why the National Trust for Historic Preservation noted picturesque Red Wing as a distinctive destination for its "impressive architecture and enviable natural environment." And don't leave town without a pair of its eponymous shoes.

SHREVEPORT, LA | Explore the Municipal Auditorium, original home to the Louisiana Hayride show – forerunner to the Grand Ole Opry – and visit the Louisiana State Exhibit Museum, featuring twenty-two impressive dioramas of Louisiana industry and agriculture, as well as fine examples of pottery and basketry from the state’s Native American tribes.

ST. LOUIS, MO | Wonder at the St. Louis Arch, an unequaled architectural statement that defines this storied town, then continue your architectural tour at the imposing Cathedral of St. Louis. Indulge a less lofty national pastime at the Anheuser-Busch brewery, an American classic.

ST. PAUL, MN | Admire the Cathedral of St. Paul, a beaux-arts wonder that emulates St. Peter’s in Rome, and soak in the arts at the city’s world-class museums, including the Walker Art Center. Detour to Minnehaha Falls, best known for Longfellow’s *Song of Hiawatha*.

VICKSBURG, MS | Hear the distant echoes of Ulysses S. Grant’s call to arms as he lay a 47-day siege to the city, and choose to tour the reverential Vicksburg National Military Park, which houses the ironclad *USS Cairo*, victim of the first torpedo.

WINONA, MN | Be awed by lofty Sugar Loaf, one of the most recognizable topographical landmarks along Minnesota’s bluff country. Find further inspiration at the Minnesota Marine Art Museum, which features one of the two original versions of Leutze’s *Washington Crossing the Delaware*.

Information contained in this brochure or on the Web-site does not form part of any offer or contract. The transportation of passengers and baggage on French America Line's vessels are provided solely by French America Line, and is governed by the terms and conditions printed on the Passage Contract. The Passage Contract will be included with your travel documents or is available on-line at: www.frenchamericalline.com and contains complete and important information regarding cancellations, itineraries, French America Line's liability, health and immigration requirements, and other relevant terms and conditions. The terms and conditions of the Passage Contract will apply to persons who have booked a cruise regardless of whether or not they have embarked the vessel. Please read your Passage Contract carefully. To the extent that any of the information in the brochure conflicts with the terms of the Passage Contract, the terms and conditions contained in the Passage Contract shall control.

Itinerary arrival and departure times are always subject to change without notice. French America Line reserves the right to cancel, alter, advance, postpone or substitute any scheduled sailing or itinerary, substitute another vessel for the scheduled ship, or substitute or cancel scheduled ports of call, which, in its sole judgment and discretion, is justified for any reason, and to do so without liability for any loss whatsoever to passengers as a result of said change(s). Additionally, French America Line reserves the right to cancel reservations and bookings in the event of a full-ship charter, whether or not a deposit or full payment has been received, and in such event, French America Line's only liability will be to refund to the passenger the amount it has received.

French America Line makes arrangements for transportation, other than cruise passage, only as a booking agent. French America Line's responsibility does not extend beyond the vessel. In arranging for the transportation of passengers to and from the ship, French America Line does so with independent contractors. French America Line is not responsible for incidents such as airline cancellations, re-routings or any disruption of scheduled services or accommodation, or lost luggage.

All schedules, fares, and terms and conditions listed in this brochure are effective as of April 2016 and supersede any schedules, prices, and terms and conditions previously published.

All fares indicated in this brochure, including land and hotel, are capacity controlled, subject to change at anytime without notice and do not guarantee availability. All are subject to change and/or cancellation without notice.

Travel documents will not be dispatched until full and final payment and passenger Contact Information has been received by French America Line and cleared. For purposes of this agreement, Contact Information shall mean a passenger's full name, passport number (if non-US Citizen), address, telephone number (land and mobile), electronic mail address and emergency contact information and any other information as requested by French America Line.

French America Line must be able to reach each passenger's emergency contact at any time of day. French America Line must, therefore, be provided with all information to allow French America Line to do so (such information should include the name, address, electronic mail address (if available) and phone number (including a cell phone number if available) of a parent, guardian, spouse, domestic partner, or other person to contact in the event of an emergency). No passenger will be allowed to embark a French America Line vessel unless French America Line has received all information.

TRAVEL PROFESSIONALS

Travel agents are considered to be the agent of the passenger and not of French America Line. French America Line is not liable for any representation, act or omission of passenger's travel agent. Passenger's cruise fare is not considered paid until French America Line receives full payment, and the amount thereof is subject to change at any time prior to French America Line's receipt of payment. Passenger shall at all times remain liable to French America Line for the price of passage. French America Line reserves the right to refuse embarkation if all charges and surcharges have not been paid in advance of departure.

Full payment is due no later than 60 days prior to departure. Passengers will not be permitted to change travel agents once final payment has been received by French America Line. Final documentation will be issued after receipt of final payment and approximately 30 days prior to sailing. All reservations are subject to cancellation if payments are not received by the due date, and are guaranteed only when paid in full 60 days prior to sailing.

Reservations made within 60 days of sailing require full payment within three days of booking or sooner, as specified by French America Line. Payments may be made by personal check (USD funds), or by VISA®, MasterCard® and Discover®.

CANCELLATIONS/REFUNDS

Should you find it necessary to cancel your reservation or any component thereof, you and your Travel Professional are required to contact your Travel Professional or French America Line directly by telephone as well as submit your cancellation in writing.

Cancellation requests received within 60 days of the initial sailing date will be subject to the following charges, regardless of resale and may not be converted to cruise

credit: 59 days up to and including the initial sailing date or nonappearance at the time of sailing, 100% per person penalty of the cruise fare.

Pre- and Post-Cruise Extension Program cancellation requests received within 60 days of the initial sailing date will be subject to the following charges, regardless of resale: 59 days up to and including the initial sailing date or nonappearance at the time of sailing, 100% per person of the Pre- and Post-Cruise Extension Program fare.

HEALTH AND MEDICAL REQUIREMENTS

All passengers are required to report in writing to French America Line at the time their reservation is made:

1. Any physical or mental condition that may require medical or professional treatment or attention during the voyage

3. Any condition that may pose a risk or danger to the passenger or anyone else onboard the ship
4. Any condition that may require oxygen for medical reasons
5. Any intention or need to use a wheelchair, cart, or other mobility device

By booking passage and by boarding the ship, the passenger represents and warrants that he/she is physically and otherwise fit to travel, and that the passenger will comply at all times with applicable rules and regulations of the ship, and orders and instructions of the ship's officers.

French America Line reserves the right without liability to require a passenger to disembark and/or to refuse to board and transport a passenger who, in the judgment

of French America Line or the ship's Captain, is unfit to travel or may require care beyond that which French America Line is reasonably able to provide.

French America Line strongly recommends that passengers are able to navigate the stairs on-board without assistance. Should passengers require assistance, they must travel with someone who is able to assist them both ashore and onboard. French America Line is unable to offer special assistance. Please note that wheel-on and/or wheel-off access is not available at all ports-of-call.

BAGGAGE

You may bring aboard the ship a reasonable amount of clothing and personal effects without charge. Baggage for French America Line passengers or passengers on our land extension programs must be handled in accordance with regulations of our ground operators. Passengers are encouraged to contact individual airlines for weight limitations.

All baggage must be securely packed, and properly and clearly labeled. Liquid, fragile, perishable and other articles not suitably packed are transported at your own risk. French America Line is not responsible for loss or damage to baggage or any other personal item during air travel or land extension programs.

Baggage and personal belongings will be taken off the ship upon passenger disembarkation. Under no circumstances will baggage be stored onboard without the owner of such baggage being on the vessel. French

America Line is not responsible for baggage stored in shore-side facilities.

Under no circumstances may dangerous items (including but not limited to: explosives, rearms, combustible or illegal substances) be taken aboard the ship. We recommend that you hand-carry: travel documents, medications and valuables. These items are the full responsibility of the passenger at all times. French America Line shall not be responsible for the loss of, or damage to, such personal items.

LOST PROPERTY

French America Line may levy a charge for the return of personal items left onboard or lost and subsequently found.

TRAVEL DOCUMENTS

All travel documents are the passenger's responsibility. It is also the passenger's responsibility to obtain any necessary visas (non US-citizens). Without the required documents, a passenger may be denied boarding and accommodation by French America Line or the passenger may be disembarked during the voyage and French America Line will not make a refund or be otherwise liable to any passenger for such denial of boarding or disembarkation.

In the event that French America Line as a courtesy provides information or advice as to necessary travel documents, visas and medical inoculations, passengers are still obligated to verify such information with the appropriate government authorities and French America

Line does not warrant or guarantee the accuracy of such information.

US Citizens or permanent residents of the US traveling within the US borders do not need a passport or visa for travel. Homeland Security does require that all passengers travel with a government-issued photo ID (Drivers License or State ID) which will be required to present upon check-in on-board the vessel. Non US Citizens, please check with the appropriate consulate for specific requirements. Security measures imposed by governments may change from time to time and each passenger will be required to comply with them. As a courtesy, we will endeavor to provide each passenger with notice of measures that may affect them, but complying with any such requirements is the sole responsibility of each passenger. Please consult your travel professional for advice on such requirements to avoid loss of boarding privileges.
