THE JOYS OF DISCOVERY BY RAIL AND SEA

.....

A FASCINATING WORLD AWAITS

National Trust Tours was created to offer more than just simple vacations. It was created to offer extraordinary trips that honor the destinations visited by taking the time to delve into their history and culture in a way that is both unexpected and wonderfully rewarding. We do so with longer stays, no rushing through attractions and historic sites, and by carefully choosing the modes of travel, ranging from trains to riverboats to ocean liners. This wide-ranging cruise and train holiday features a classic and restored private train traveling through the Hudson River Valley, and the colors of autumn along the long shores of sparkling Lake Champlain.

THE COMFORT OF AN OCEAN LINER

There is no more beloved manner of travel than a classic ocean liner and today, only one true vessel that fits that description still exists. Experience venerable stalwart Cunard Line's lovely *Queen Mary 2*. She is not a cruise ship; she was built to cross the Atlantic with ease which makes her larger, faster and more stable than most ships afloat. Awake to the sun casting its beams across the sea and watch as the moon glitters off the waves at night. Take English Tea, relax in a wooden deck chair, or read a book in the library as the black hull of the *Queen Mary 2* slices through the ocean blue sailing toward the next port of call. Both where you go and how you get there is part of the unique experience that is traveling with National Trust Tours.

ATTENTIVE & FRIENDLY STAFF

montreal limited

.....

Great destinations deserve a great train and we have re-created a classic 1950s era Streamliner experience complete with Club Car. The *Montreal Limited* provides a level of service without peer and features our attentive staff, classic railroad cuisine with all meals, wines and spirits included, and a delightful lounge car where no vista goes by unnoticed or unappreciated. With fresh flowers, afternoon tea and a host of unexpected surprises, there is no finer way to relive the Golden Age of Rail Travel.

THE ALL NEW CARINTHIA LOUNGE

a royal lineage

.....

While many ships offer autumnal voyages through Canada and New England, there is only one iconic *Queen Mary 2*, heir to the great traditions established by the original *Queen Mary*, the original *Queen Elizabeth* and the beloved *Queen Elizabeth 2*. The Golden Age of the Ocean Liner is reborn, with architectural details that pay homage to the Art Deco stylings of the 1930s, soaring public rooms, and convivial fellow travelers who understand that, as Cunard's old slogan once heralded, "Getting There is Half the Fun."

REMASTERING *a* LEGEND

BE ONE OF THE FIRST TO SAIL THE RENOVATED QUEEN MARY 2

.....

A NOD TO HISTORY

This year, Cunard Line's classic *Queen Mary 2* was remastered at a cost in excess of \$130 million and you can be one of the very first to experience a new level of luxury and elegance. She has been lovingly redesigned with new contemporary interiors and guest experiences, many of which take their inspiration from the original *Queen Mary*, which debuted in New York 80 years ago. The *Queen Mary 2* holds a unique place in the cruise landscape, continuing the legacy of the great ocean liners and transatlantic travel.

AN ARRAY OF NEW AND RESTORED SPACES

The former Winter Garden has been transformed into the chic and comfortable Carinthia Lounge, The Verandah has become the ship's newest specialty restaurant and the King's Court - the casual dining venue - has been completely refurbished and retooled to offer greater variety. Both the tony Queens Grill and cosmopolitan Princess Grill sport new fabrics, color schemes and design elements while Britannia staterooms and the Queens and Princess Grill suites have all been redesigned and refurbished to reflect the new look of the *Queen Mary 2*.

WHITE STAR SERVICE

One thing hasn't changed: Cunard Line's fabled White Star Service. The essence of the *Queen Mary 2* lies in allowing guests to lose themselves in a world of glamor, timeless sophistication and luxury. The legendary liner is revered for its exceptional crew – in its 176-year history Cunard has seen seven of its Commodores knighted, an honor no other shipping company can claim. On board the *Queen Mary 2* today the level of expertise and tradition is not forgotten, with highly trained and attentive staff, all graduates from the ship's White Star Service Academy. From skilled personal butlers to the teams of sommeliers – all are ready to cater to the needs of every guest.

And that's what the *Queen Mary 2* does best. On board and you'll find prominent people in their field who have been invited to inform and entertain you as part of Cunard Insights®, a series of regular talks on contemporary issues. On this special fall sailing, learn from Steve Bauer, White House Social Expert.

GAZE AT THE STARS AND PAMPER THE SOUL

Enjoy the ultimate in pampering at the exquisite on board Canyon Ranch SpaClub®. Indulge in signature massages, treatments and facials from the classic Canyon Stone Massage or Rasul Ceremony, to Ayurvedic or Thai treatments.

EXQUISITE DINING WITH A NEW TOUCH

Emerging from her shipyard chrysalis with a dramatic new look, the *Queen Mary 2* also features remastered menus in venues ranging from the grand Britannia Restaurant to the elite Queens Grill and Princess Grill. The Verandah restaurant offers contemporary French cuisine that makes use of seasonal ingredients of real provenance. Designed to create a genuine dining experience, The Verandah restaurant takes design inspiration from the original Verandah Grill on board the *Queen Mary*. A tranquil retreat by day, the serene Carinthia Lounge provides the perfect place to enjoy light breakfast and lunch dishes along with premium teas and coffee, handmade patisseries and a special Champagne Afternoon Tea experience. When the sun sets, carefully selected wines are paired with tasting plates.

cunard & the queen

.....

As just a young girl in 1934, Princess Elizabeth was part of the royal party attending the launch of *Queen Mary*. Just four years later she watched her mother launch the biggest ship in the world, the *Queen Elizabeth*. Before she became Queen, she witnessed the 1947 launch of the *Caronia* as well. The second *Queen Elizabeth*, perhaps better known as *QE2*, was launched by The Queen in 1967. And Her Majesty travelled to Southampton in 2004 to name *Queen Mary 2* in a ceremony still regarded as the most spectacular of its kind.
